

AUDIO DOCK

Instruction Manual

How to Play For Music

Put the iPod Shuffle mini into Audio Dock speaker by placing it onto the 3.5mm audio pin.
note: iPod Shuffle mini will sit upside down.

Open the battery cover at the back of the **Audio Dock**. Install 3 new "AAA" batteries, then close.

OR

Take out the USB wire from the bottom of **Audio Dock** then plug into computer.
(make sure the computer is powered "ON")

Select source of power
USB or Battery.

Switch on the power button ON / OFF, the blue LED indicator will be "ON" when the power is "ON".

Turn on the **iPod Shuffle mini** then press **PLAY/PAUSE**. Speaker volume is controlled by the iPod Shuffle mini.

Enjoy your music!

iPod Charging and Data Transfer

Stop the music of **iPod Shuffle mini** before Data Transfer or Recharging battery of **iPod Shuffle mini**.

- Make sure the computer is powered “ON” and the **Audio Dock** is connected to your computer, if needed use the USB extension cable for hard to reach USB ports.
- If the default is iTunes for iPod, then the iTunes will be running automatically and the **iPod Shuffle mini** will be recharging automatically. (Please follow the instruction of **iPod Shuffle mini** & iTunes to operate).
Note: The Audio Dock only charges iPod Shuffle mini when using the USB connection.
- Eject **iPod Shuffle mini** under iTunes instruction after charge/sync is completed.
- Please keep the USB signal wire in the slot at the bottom of **Audio Dock** when not in use.

Thank you for Purchasing the **Audio Dock**.
Please carefully read the instruction manual before using the **Audio Dock**.
