- Power Fit

Power Fit Installation:

1. Plug the USB power cable into an available USB port on your Wii console or any other device that has a powered USB port.
2. Remove the door from the Wii Balance Board and insert the Power Fit with the “teeth” end going in first. Confirm the Power Fit is securely attached to the Wii Balance Board
3. To remove, press the release tab and lift the Power Fit up and out of the Wii Balance Board.
