2-in-1

Charger and Back Up Battery

WHAT IS IT?

The Back Up Battery is compact high capacity Battery Pack that is capable of charging and powering your iPod/iPhone. The Back Up Battery is designed for the times when your iPhone/iPod run out of power, yet you need instant power to continue your music, videos, and most importantly phone calls.

WHY IT'S UNIQUE?

- Compatible with all iPod/iPhone models with a 30-pin connector
- High capacity 1000 mAh Polymerized Lithium-ion Battery
- Compact low profile design
- The Back Up Battery attaches directly to your iPod/iPhone allowing for wire-free powering and charging

THE COMPETITION?

- The Back Up Battery is the first to include a 2-in-1 USB AC adapter that can double as a iPod/iPhone charger when used with your original sync cable
- Many other Back Up batteries require a cable for connecting to your iPod/iPhone
- The Back Up Battery can be found at a much lower cost than the competition
